25X1 5. [] The following Congressmen, members of Representative Jack Kemp's informal Republican group, visited Headquarters for a breakfast briefing by the Director: Representatives: LaMar Baker, Bill Frenzel, Elwood Hillis, William J. Keating, Jack F. Kemp, Norman Lent, John McCollister, Stewart McKinney, Richard G. Shoup, and Victor V. Veysey.

25X1 6. [] Briefed William Woodruff, Counsel, Senate Appropriations Committee, and Ed Braswell, Chief Counsel, Senate Armed Services Committee, regarding an impending legal action in which the Agency is involved.

25X1 7. [] Provided Representative Lucien Nedzi orally with answers to several questions he raised during my briefing of 14 April on Soviet Y-class submarines, SLBMs, and strategic bombers.

25X1 8. [] Senator Milton Young called to say he had gotten a query from the press about a legal matter of concern to the Agency. He seemed somewhat annoyed that he had not been briefed in advance but I explained the timing of the handling of this case was not in the Agency's hands.

25X1 9. [] Red Morrison, OSD, called to ask who the members were of the Agency's oversight Subcommittee of House Appropriations. I said this was something the Chairman held very closely and I would suggest he get in touch with Ralph Preston.

25X1 10. [] Attended a meeting in the White House to discuss Foreign Relations Committee amendments to the State Department Authorization bill. See Memo for Record.

25X1 11. [] Left with Mildred Ward, Senator Stennis' 25X1A (D., Miss.) Personal Secretary, enlargements of some personal photographs prepared for the Senator by NPIC.

OFFICE OF LEGISLATIVE COUNSEL

Monday - 17 April 1972

25X1

25X1

2. [redacted] Called Ed Braswell, Chief Counsel, Senate Armed Services Committee, to make sure he passed on to Chairman Stennis a note I had sent him on highlights of the Senate Foreign Relations Committee hearing at which Chet Cooper and Pete Scoville had testified on 28 March. I told Braswell if there was anything further he needed in connection with Senator Cooper's bill which would require that intelligence information be made freely available to the Congress, he should let us know.
